Discovering How to Pray-Hope MacDonald 1990 If you think there’s nothing new that can be written on prayer -- think again! In this practical and inspiring book, Discovering How to Pray, Hope MacDonald gives refreshing new insights into a perennial problem of Christians -- how, when, where, and why we should pray. The author distinguishes two kinds of prayer-“arrow” prayer (the kind we shoot up to God all day long) and the prayer of worship and intercession. Although arrow prayers are an important part of Christian life, says MacDonald, we cannot live on them unless they are ‘grounded upon the foundation of our prayers of worship and intercession.’ MacDonald outlines nine steps that can lead you to a meaningful part of life and worship. Making time to pray. Finding a quiet place. Worshipping and meditating. Confession. Time of thanksgiving. Saying a prayer of protection. Inner listening. The prayer of faith. Picturing the prayer as answered.

This book, curated by acclaimed author Sarah Bessey, celebrates and honors that prayerful tradition in a literary form. A companion for daily inspiration, this collection gives women permission to recognize the weight of all they carry, while also offering a broadened imagination of hope—of what can be restored and made new. Each prayer is an original piece of writing, with a short introduction from Bessey sharing exactly why she loves and looks up to the writer. Trust, Hope, Pray—Luke And Trisha Priebe 2011-06-01 Luke and Trisha are Christians who have been transformed by Jesus Christ. Their goal is to serve Him with their lives in whatever way He sees fit. In the summer of 2007, their first child was born on the other side of the world. In early 2009, they saw him for the first time via a DVD. They anticipated bringing their son home within the year. They prepared a bedroom, notified family, and imagined how their lives would change. And then nothing. God has taught them incredible things through the process of waiting on Him. They believe that waiting—though painful—is a gift. Trust, Hope, Pray is a compilation of the lessons they have learned about waiting. Though they cannot help but think of their own recent experiences, it is not primarily a book about adoption. It is a book about the grace of God experienced while waiting.

Live Your Life: Amanda Kloots 2021-06-15 Amanda Kloots bravely reflects on love, loss, and life with her husband, Broadway star, and Tony Award nominee Nick Cordero, whose public battle with COVID-19 and tragic death made headlines around the world. In March 2020, Broadway star and Tony Award nominee Nick Cordero was hospitalized for what he and his wife, Amanda Kloots, believed to be a severe case of pneumonia. Entering the hospital, they had every reason to believe that Nick—a young father and otherwise healthy man—would return home. After an eventual diagnosis of COVID-19 that led to Nick’s being placed on a ventilator, Amanda took to documenting their journey on social media, showing the dangers COVID-19 posed to everyone, regardless of age. Her updates quickly captivated millions, inspiring people around the globe to dance each day to Nick’s song “Live Your Life” and offer positive thoughts and prayer. When he passed away after ninety-five grueling days in the ICU, the world grieved for Amanda, her infant son, Elvis, and the future COVID-19 had snatched away from them. Live Your Life is the story of Nick and Amanda’s life together—of their beautiful relationship, of Nick’s dramatic fight for survival, of those sudden tragic months that permanently changed her world and ours—and of their interrupted future as a family. From the confusing early days of his illness to searching for signs of hope in every update from the doctors to the healing sound of Elvis’s laughter, Amanda details how she approached even the most devastating moments with the personal optimism and faith that shaped her life. Written with her sister Anna Kloots, who was with her every step of this journey, Live Your Life explores how Amanda’s willingness to accept help from an entire community of people—friends, family, and even total strangers—played a vital role in enduring this hardship. In the process, she offers a touching meditation on how even the worst things have silver linings that deepen our connections to the world around us and to the people who matter most. What emerges is an inspiring and unexpectedly uplifting message for life in the time of COVID, a vision of courage for anyone coping with overwhelming loss or the collective trauma of what the pandemic has taken from us. A poignant reflection on love, hope, motherhood, and the transformational power of music, Live Your Life is a love letter to Nick and a reminder that, even in the darkest of days, celebration still comes as the only path through tomorrow’s darkness. Live Your Life includes 16 pages of color photos exclusive to the book.
