**Russian Vocabulary Book** - Pinhok Languages 2019-05-14 Russian vocabulary book + Russian dictionary

This Russian vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Russian-English as well as English-Russian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Russian learning resource is a combination of Russian vocabulary book and a two-way basic Russian dictionary: Part 1 - Topic based Russian vocabulary book: This is the main part of the book and represents a list of chapters each containing Russian vocabularies for a certain topic. The Russian vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Russian dictionary: The index in the second half of the book can be used as a basic Russian dictionary to look up words you have learned but can’t remember or learn new words you need. Part 3 - Basic Russian-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Russian words and directly find the English translation How to use this Russian vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Russian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Russian translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Russian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Russian and comes in particularly handy at times when there is no internet to look up words and phrases.

English / Cherokee Dictionary-John C. Rigdon 2017-03-14 Cherokee is a Southern Iroquoian language now spoken by around 22,500 people in North Carolina, Oklahoma, and Arkansas. In 2005, the Cherokee Preservation Foundation funded a survey whose results indicated that only 460 fluent speakers were then living in Eastern Cherokee communities, with 72 percent of them over the age of 50 and elder speakers dying far more quickly than new speakers were emerging. By 2015 that number was down to 215. The process of revitalizing the language is complex. While it has been spoken for hundreds of years, there is little in written form that can be used for instruction and few people are trained in teaching it. Cherokees are the only Native American People who possess a writing system
equivalent to the European alphabet. The Cherokee syllabary is the only alphabet in history attributed to be the work of one man, George Gist, known to the world as Sequoyah. Although he did not speak or read the English language, he understood the power of the written word. At first Sequoyah experimented with a writing system based on logograms, but found this cumbersome and unsuitable for Cherokee. He later developed a syllabary which was originally cursive and hand-written, but it was too difficult and expensive to produce a printed version, so he devised a new version with symbols based on letters from the Latin alphabet and Western numerals. After twelve years of dedicated work, Sequoyah finished the Cherokee syllabary in 1821. He spent the rest of his life teaching his people how to read and spell. By 1820 thousands of Cherokees had learned the syllabary, and by 1830, 90% were literate in their own language. Books, religious texts, almanacs and newspapers were all published using the syllabary, which was widely used for over 100 years. Today the syllabary is still used; efforts are being made to revive both the Cherokee language and Syllabary. Increasing numbers of Cherokee descendants are renewing their ties with their traditions, history and language. With this renewal comes the understanding that their Cherokee heritage must be preserved and passed on to the next generation. Cherokee courses are offered at a number of schools, colleges and universities. This dictionary contains over 5,000 English terms with their Cherokee translation and transliteration. It also includes a Cherokee / English index. We also publish a Spanish / Cherokee Dictionary and an English / Cherokee Phrasebook. First English Filipino Tagalog Picture Dictionary Flash Books For Kids-Professional Language Prep 2019-06-06 Research shows that learning a second language boosts problem-solving, critical thinking, and listening skills, in addition to improving memory, concentration, and the ability to multitask. Children proficient in other languages also show signs of enhanced creativity and mental flexibility. There is a "critical period" or "window of opportunity" when children learn languages best. Studies have shown that this is when children are between birth and six years old. The younger children are, the easier they will learn a second language. As they get older that ability diminishes. These easy and fun flashcards aim to help parents as a useful educational tool for kids to learn a new language. All images include the words in both English and the second language in clear, bold text. Suitable for toddlers on their own or in groups, these books are a child's perfect introduction to exploring new languages.

Tagalog - English Dictionary- Vanessa Narciso 2016-09-05 This Pocket Tagalog-English Dictionary is created to teach Tagalog to children of Filipino migrants living all over the world. It contains common Tagalog words used everyday using only the 20 letters of the old Filipino alphabet. Short, simple sentences are used for each word to easily understand, learn and remember the words.

Bikol Dictionary- Malcolm W. Mintz 2019-03-31 The Bikol language of the Philippines, spoken in the southernmost peninsula of Luzon Island and extending into the island provinces of Catanduanes and Masbate, is presented in this bilingual dictionary. An introduction explains the Bikol alphabet, orthographic representation (including policies adopted in writing Spanish and English loan words), foreign sounds in Bikol, and Bikol phonology. A section on the use of the dictionary outlines affixes, tenses, verbal and nonverbal stress, combined affix forms, the causative series "pa-," "mang-" and "pang-" series, "pang-" as a nominal, "maki-" and "paki-"

**Fluent Forever**-Gabriel Wyner 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller Guitar Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

**Tagalog for Beginners**-Joi Barrios 2014-07-15 This is a straight–forward and user–friendly guide to the Tagalog language. Tagalog for Beginners is the book to help you learn Tagalog (Filipino) on your own, easily and accurately—whether you're traveling to the Philippines for a vacation or a business trip, or you have ties to the large Tagalog-speaking community in the U.S., or you're simply a language lover. From the fascinating history of Philippines’ language to how you speak it, join skilled teacher Barrios on a guided introduction—with a practical focus. After journeying through the carefully-paced explanations, conversations, cultural info, and activities in Tagalog for Beginners, learners will be able to use Tagalog (Filipino) in a wide range of common situations. From shopping for food to asking directions, from telling time to expressing how you feel, this book gives you the communication skills you need. The downloadable audio helps reinforce pronunciation and improve listening comprehension. Helpful suggestions guide heritage learners (those of Filipino descent but born outside the Philippines) on how to use the book most effectively for their needs. Key features include:: Accompanying downloadable audio. Realistic dialogues to bring the language to life. Activities and exercises to help you read, write, speak and understand. Notes on the Tagalog language and history. A special section guides native (heritage) learners and instructors on how to use the book most effectively for their needs.

**Elementary Tagalog**-Jiedson R. Domigpe 2014-06-01 This is the leading beginner Tagalog textbook and language learning package. Elementary Tagalog’s comprehensive approach will help students master Tagalog, the language of the Philippines, also known as Filipino or Pilipino. From learning to read Tagalog words and pronounce Tagalog sounds to using correct Tagalog grammar, communicating in Tagalog dialogues and building Tagalog vocabulary, learners will be surprised at how quickly their skills develop. The expert guidance in Elementary Tagalog is ideal both for true beginners and heritage learners who grew up in Filipino-speaking communities or families. The accompanying downloadable audio improves listening comprehension and ensures correct pronunciation. Covering a range of topics, the lessons center on themes from the family, the home, and the community to food, travel, health, leisure time, festivals and popular culture. There are plenty of exercises, activities and practice drills to help learners acquire and master the language fundamentals, while culture notes explore the diversity, heritage and history of the Philippines. This is a complete language system and no prior knowledge of Tagalog is needed to begin and is the most comprehensive way to learn Tagalog. Elementary Tagalog is composed of twenty-four lessons in eight units. Each Lesson contains: Cultural Notes at the beginning of each unit offering explanations of social, economic and historical aspects of Filipino society. A Vocabulary List in each lesson ties in to the theme of the unit and both the Tagalog reading text and the aural activities presented in the specific lesson. Reading and Reading Comprehension which are presented mostly in the form of Tagalog language dialogues, are designed to expose the students to real-life conversations as might be had by native Filipino speakers. Three Active Learning Activities follow the dialogue and dialogue comprehension
in each lesson and ask students to employ the lesson’s new Tagalog vocabulary. The Grammar Section is divided into four parts: definitions of terms, examining form, grammar presentation and grammar notes. Practice exercises or activities target student's speaking Tagalog, reading Tagalog, writing Tagalog and Tagalog listening skills. Downloadable audio with listening activities to reinforce Tagalog learning is also included with the book. Available separately is the companion Elementary Tagalog Workbook. This helpful workbook will assist you in practicing and polishing your Filipino language skills. Each lesson supplements the corresponding lesson in the textbook. There are ten activities per lesson, offering a range of exercises and practice opportunities to enable you to achieve proficiency in everyday, conversational Tagalog.
